

Dear Members,

A new year and hopefully a new start for many of us at the club!

Having come through a very difficult Christmas period, the staff are all now looking forward to welcoming you back to the club. Robert and his team have ensured that there is sufficient distancing for members between tables, both in the bistro and the restaurant, and together with fresh air circulating, the club is ready to see you all back again.

Our January menu was circulated earlier this week which we hope will encourage you to treat yourself to lunch. There are also up-coming speaker's lunches with availability – please contact Robert in the first instance to book your places. And remember, your vouchers from last year are also still valid up to the end of March 2022.

We are all looking forward to this year with anticipation - hopefully the worst of the pandemic is now behind us. Our thanks go to all those members who have followed the guidance and kept themselves and others safe and virus free, allowing the club to continue its operations, and for you to socialise safely.

May we wish you a happy & healthy new year and look forward to seeing you in the club very soon.

Your Directors
